Le Boat, part of Travelopia, is Europe's leading provider of inland waterway boating holidays. Currently operating in 8 countries, with a fleet of 900 charter boats, we attract customers from all over the world. We are passionate about providing outstanding quality and service. Le Boat has been established for 50 years and has added a new destination in Canada since 2018.

Please visit our website for more details [www.leboat.nl](http://www.leboat.nl)

### Mission

You have a passion for delivering world-class customer service and you want to join a great team within a successful and growing company.

### Summary

We are looking for mechanics with experience / affinity with water sports. You have experience with inboard engines and also like to transfer that knowledge to less experienced colleagues.

- During the off-season you will work in the maintenance of our 36 rental boats
- You will work in a team of 5 technicians and a head mechanic
- Working with engines, bow and stern propellers, water systems, polyester repair, steering gears and drives. This work takes place in the off-season period from Monday to Friday
- From April 1st, our guests will take their boat on holiday. You are then preparing for the check-in. Common service work and repairs
- You also manage with your colleagues the phone calls, where you help our customers on the road with problems. A car is at your disposal for this
- During the season from April 1st to October 31st you will usually work on Saturdays. Of course you have a different rest day during the week
- During the winter, you will participate in the maintenance and preparation of our 42 rental boats

**Skills required**

- Diploma MBO education (in the field of motor vehicle technology or diesel technology)
- Previous experience as a Boat technician
- Teamwork
- Driving license B
- Customer service focus
- Good communication skills
- Working hours flexibility is necessary
- Fluent English speaking – German speaking would be an advantage

**Application**

To apply, please send your CV and your cover letter to: [marieke.julius@leboat.com](mailto:marieke.julius@leboat.com)
